

CUDDLE2COMFORT – CEDARCREST II DONATION PROGRAM TO HELP TRAUMATIZED KIDS

Police officers in some municipalities are carrying stuffed animals in their cars to loan or give to children who, through no fault of their own, find themselves in frightening or even traumatic circumstances.

With the approval of the Cedarcrest II Homeowners' Board of Directors, I'm launching a drive to provide local police with clean stuffed animals so officers can carry them in their police cars. Donations would be given to children free of charge.

If you have more stuffies than you know what to do with, please consider donating to the program we're calling

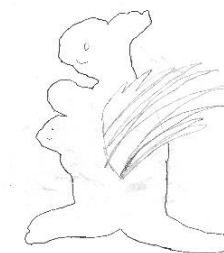

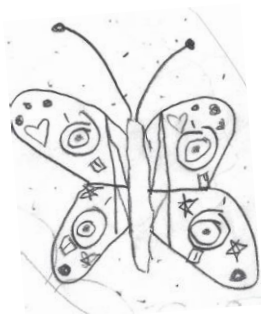

Cuddle2Comfort

Stuffed animals should be clean, and new or gently used. Stuffies only. No buttons or magnets. No accessories like hats or clothes or anything they might be holding. Please use the same guidelines you would use when giving toys to your own children.

We will have a table set up at the Cedarcrest II Annual Fall Festival and Homeowners' Meeting on Saturday, October 24. We will be happy to take your donations there, if that is convenient for you. If you would like to donate from home, please send me a text message (Maiuri Ranchhod at (918) 607-2832.) or just let me know at the Festival and I will make arrangements to pick them up and store them until we have enough to donate. We will accept donations until December 1. Visit CedarCrest2.com for complete event details.

Thank you in advance for your generosity.
